NEW POOL ON THE HORIZON!

Finally work on the Life Centre has well and truly begun with the field opposite the Mayflower Centre looking radically different day by day!

Hopefully the work will stay on schedule and our new pool will be open for use by September 2011!

World Series 2010 – Leg 1 – Qindao, China

Tom Daley and Tonia Couch had qualified for this years World Series by virtue of their performances at last years World Championships where they both finished in the top 8 in the World.

After a delayed journey due to Visa difficulties (don't ask!!), Tom finally made it out to China on the Thursday before his Sunday event. So needless to say he was a little jetlagged before he started.

He qualified for the final where he made his highest score of the year so far, 520 points, and his performance was very good – unfortunately for him his nearest rival, Qui Bo from China was on blistering form scoring over 588 points! A new world record!

In her event, Tonia also qualified for the final and made her highest score of the year with 341 points. So a good start to the Series. Tom and Tonia will next be competing in Leg 2 in Mexico on 16/17 April and the both of them move on to Leg 3 in Sheffield the following week.
